

Business Visa

The following categories are also eligible for Business Visa:

1. Foreign nationals who are coming to India on short visits to customer location to repair any plant or machinery as part of warranty or annual maintenance contracts.
2. Foreign engineers/technicians coming to India for installation and commissioning of such equipment/machine/tools.
3. Foreign experts coming to India for imparting training for the personnel of the Indian company.
4. Foreign personnel deputed for providing technical support/services, transfer of know-how services supplies which the Indian Company pays fees/royalty to the foreign company.

These categories may be covered under Business visa regime since they would not be remuneration from the Indian company/organization
